

Buck Brannaman Clinic August 31-Sept 3 2011

Classes offered:

Horsemanship 1

For the green horse and rider already comfortable in the snaffle bit along with aged horses needing continued work. This is the first stage of progressing into the bridle with all basic movements introduced. All levels of riders - no matter what discipline - will benefit. The class features strictly dry work - no cattle. All maneuvers stress the vaquero style of riding and are appropriate for horses from first level snaffle to experienced bridle horses. Hackamore horses welcome.

Horsemanship 2

The next phase in the development of the versatile bridle horse. Horsemanship 2 introduces the rider to working the horse in the hackamore and beyond. Horsemanship 1 is a prerequisite for enrolling in Horsemanship 2 unless otherwise approved by Buck. The class involves working cattle and ranch roping so that all aspects in preparing the bridle horse-in-the-making are addressed.

FOUR DAY CLINICS ARE \$600 FOR EACH CLASS / AUDITING FEE IS \$25 PER DAY
\$200 deposit required balance due August 1.

Make check to Mindy Bower PO Box 327 Kiowa CO 80117.
